RENTAL INFO

Site Description:

"The Venue" consists of two buildings separated by an outdoor lounge area which gives The Venue a very interesting appeal. Truly something unique in Orlando!

The Kitschy vibe in "Blue's House" (the front building) is whimsical with a quaint interior including lounge seating, bar/serving area, kitchenette & restroom. A dressing room is also offered in the above loft is needed.

The second building known as "The VENUE" has more of a modern décor. The theatre includes a large stage (ADA compliant with ramp & stair), (2) ADA compliant restrooms and (1) shower room. Our non-fixed table and chairs offer various seating arrangements ideal for any event / occasion. This space also offers a full Tech Booth located in the loft space above the restrooms.
